

15 April 2020

Dear Student,

We hope you and your family are safe and healthy. COVID-19 pandemic has brought in a lot of uncertainty in everyone's lives. Taking cognizance of these uncertain times we want to assure you that we would be continuing with the online classes for your benefit.

Please do not worry about fees payment schedule. No student's name will be struck off for not being able to adhere to that schedule.

Based on the situation we will work out a revised fee payment schedule and announce at the appropriate time.

Yours truly,

Management of BILAMS
